

IJCA

Indian Journal of Clinical Anaesthesia

Volume - 9, Issue - 2, Year - 2022 (www.ijca.in)

Indian Journal of Clinical Anaesthesia (IJCA) open access, peer-reviewed quarterly journal publishing since 2014 and is published under auspices of the Innovative Education and Scientific Research Foundation (IESRF), aim to uplift researchers, scholars, academicians, and professionals in all academic and scientific disciplines. IESRF is dedicated to the transfer of technology and research by publishing scientific journals, research content, providing professional's membership, and conducting conferences, seminars, and award programs.

With the more...

Call for paper

We cordially invite faculty, researchers, and scholars to submission of your valuable contribution to our Upcoming issues. It is a double-blind, peer-review, and Open Access (OA) journal and accepts manuscripts as research papers, review articles, case reports, short communication, etc.

Manuscript Submission Guidelines

To submit your manuscript, first-time users click the Register button from the submission portal. If you are already a registered user, log in as an author and post your manuscript for further peer-review process. Manuscripts submitted for consideration and inclusion in upcoming issues must follow <https://www.ijca.in/info/author> and be submitted by **2024-12-10**.

The advertisement is a screenshot of a website for the Manuscript Peer-Review Process (MPRP). The header features the logo 'Manuscript Peer-Review Process' and contact information: 'Email: support@iesrf.in, editor@ijca.in, editor@ijca.in' and 'Support: +91-11-8336414, 8336415 | 9850426146 | 88'. A navigation menu includes 'About MPRP', 'Journals', 'Support and Training', 'Contact Us', 'Track article status', 'Register', and 'Login'. The main content area is titled 'Manuscript Peer-Review Process' and contains the following text: 'Manuscript Peer-Review Process is a web-based portal that can be accessed 24*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels. MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of IP Innovative Publication Pvt. Ltd, which is managed and operated by Innovative Publication and currently running with around 50+ Journals. Why MPRP? If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your'. An illustration shows a person at a desk with a laptop, surrounded by icons representing various journal services. The IESRF logo is in the bottom right corner.

CONTENTS

Editorial:

Writing an editorial article: Tips and tricks 162-163

Lalit Gupta, Prachi Gaba

Guest Editorial:

Understanding of anaesthesia and its implications in clinical practice present scenario 164-168

Manjula Sarkar

Original Article:

Comparison of nalbuphine and fentanyl as adjuvants to bupivacaine in unilateral spinal anaesthesia in patients undergoing lower limb orthopaedic surgeries 169-173

Madhu Srinivasaiah, Dhananjeyulu Padmaraju, Surekha Gadiraju, Bhavya Nidiginti

Ultrasound guided technique versus landmark technique for caudal epidural block in children: A randomized controlled study 174-178

Samakshi Singh Dhadwal, Anjali Bhure, Sumita Bhargava

Observation of hemodynamic variability and level of blood cortisol while induction with propofol and etomidate: A prospective, randomized, double blind study 179-184

Deepesh, Manoj Kumar Chaurasiya, Anil Kumar Verma, Apurva Agarwal

Effect of intravenous fentanyl versus intravenous fentanyl and paracetamol in attenuating the hemodynamic response to laryngoscopy and endotracheal intubation 185-188

Priyanka Suresh, Aishwarya Emani

Anatomical location of the vocal cords in relation to cervical vertebrae, a new predictor of difficult laryngoscopy: A descriptive cross sectional study 189-195

Varun Bhaskar, Anil Shetty, Nagaraj Kandagal, Harish B G

Spinal block characteristics of intrathecal 1% 2chloroprocaine following addition of dexmedetomidine versus fentanyl in lower abdominal surgery: A prospective randomised controlled double blinded study 196-202

Seema Partani, Abhineet Singh, Vikram Singh Rathore, Aanal Vyas, Abhay Gondaliya, Sunanda Gupta

A comparison of pretreatment with lignocaine versus dexmedetomidine in prevention of etomidate induced myoclonus- A randomised comparative trial 203-209

Vigneshwaran Swaminathan, Mohd Khalik, Neeharika Arora, Pallavi Ahluwalia, Akash Gupta, Ankur Garg

Comparative analysis of intrathecal low dose dexmedetomidine and clonidine as an adjuvant to bupivacaine in gynaecological surgeries 210-213

Vimal Dangi, Vinayak Gour, Sushil Chand Verma

Perioperative management of patients with post Covid rhino-orbito-cerebral mucormycosis: Prospective observational study 214-219

Devyani Desai, Neha Shah, Neha Cheraya, Bhoomika Kalarthi, Sagar Bavisetti, Parvathy D, Abhishek Zala, Kanchan Choube, Gaurav Cheraya

Comparison of intrathecal tramadol and Magnesium sulphate for the prevention of post-spinal shivering in infra umbilical surgeries: A randomized, double blinded and controlled study 220-226

Raja Poovathai, Sathis C Sundararaju, Kadirvelu S Ramalingam

Comparative evaluation of incidence of post operative sore throat after nebulization with ketamine and magnesium sulfate in patients undergoing general anaesthesia requiring endotracheal intubation 227-232

Neepa Patel, Sandeep Dhuliya, Divyang Shah

Effects of clonidine premedication on perioperative hemodynamic response, anesthetic requirements and postoperative analgesia for patients undergoing laparoscopic gynecological surgeries: A randomized study 233-241

Ramki J, Liya Abraham

Comparative evaluation of crystalloid coload and colloid coload for prevention of spinal anaesthesia induced hypotension in patients undergoing elective caesarian section 242-246

Chayana Bisen, Vijay Patle, Dipakkumar Ruparel, Rohini Wakode

Comparative study of ultrasound assisted versus conventional surface landmark guided technique for combined spinal epidural anaesthesia in patients with increased body mass index and difficult surface anatomy of lower back and spinal deformity 247-253

Chitrambika P, Madhu Gupta, Mohd Anas Khan

Considering simulation training to ensure patient safety for expert anesthesiologists over the age of 60 in Saudi Arabia 254-262

Saleha H Jabali, Osama R Shaalan, Maha M Alosaimi, Mohamed A Daabiss

The efficacy of propofol and etomidate for sedation in endoscopic bronchial ultrasound- A randomized controlled study 263-268

Ganesh Ghongate, Naveen Gavel, Rajendra Gosavi, Deepak Phalgune

Case Series:

Perioperative management of congenital hyperinsulinism (CHI) 269-272

Parul Kaushik, Nitin Hayaran, Ishan Goel

Case Report:

Ultrasound-guided posterior tibial artery cannulation as a rescue for intraoperative accidental arterial line displacement in the prone position: A case report 273-275

Mamta Sinha, Mayank Kumar

Short Communication:

Refilling USAID oxygen cylinders, indigenous solution to a foreign challenge 276-278

S Kalyani Surya Dhana Lakshmi, Vikas Bhatia, Satyanarayana Devella

The eye of the storm: bemusing the cause of the intraoperative conundrum! 279-280

Vedhika Shanker, Maheshwari Shivashanmugam Kumar, Tuhin Mistry, Vipin Kumar Goel, Jagannathan Balavenkatasubhramanian

Letter to editor:

Anaesthetic challenges in a rare case of paraduodenal hernia complicating pregnancy 281-282

Satyajit Majhi, Kritika Agrawal, Rashmi Salhotra

Anesthetic management of a challenging case of pheochromocytoma with dilated cardiomyopathy 283-284

Anita Sharma, Bharti Gupta, Ruby Guleria, Maninder Singh Nehria

Anaesthetic and perioperative management of elderly female with post covid bacterial pneumonia and ARDS undergoing emergency laparotomy for obstructed umbilical hernia 285-287

Pateel GNP, Pushpa R Lengade, Rupam Sinha, Poornima Prakash

Practical considerations in the anaesthetic management of thoracolumbar scoliosis correction surgery in a child with hecht-beals syndrome 288-290

Madhanmohan Chandramohan, Tuhin Mistry, Jagannathan Balavenkatasubramanian, Vipin Kumar Goel, Senthilkumar Balasubramanian
