group for controlled ventilation 348-352

Sumalatha R Shetty, Chandana Balaram, Nagaraj Kandagal*

Comparative study between ketamine versus betamethasone gargles in attenuating post-operative sore throat after endotracheal intubation 353-358

Veena Wetal, Maya Jamkar*

Comparison of the clinical performance of I-Gel and ambu aura gain-supra-glottic airway devices in paediatric patients under controlled ventilation 359-363

Ashka V Surve, Mamta G Patel, Arun George*

A randomised comparative study of desflurane and sevoflurane with esmolol to evaluate hemodynamic parameters and recovery characteristics in middle ear surgery 364-369

*Smita R Engineer, Arivazhagan J K**

Review Article:

Point-of-care lung ultrasound: A useful diagnostic tool in the management of COVID-19 370-373

Neerja Bharti, Amit Kumar, Karan Singla*

Ankylosing spondylitis: what all should anaesthesiologist know? 374-378

Rajiv Lakhota, Somnath Longani, Rakhi Gupta*

Case Series:

Case series: Opioid free anaesthesia 379-381

*Sai Krishna J**

Tocilizumab as a breakthrough in the cytokine storm of COVID-19 pneumonia- Case series in the intensive care unit 382-386

Michell Gulabani, Pragya, Richa Chauhan, Ashok Kumar Saxena*

Case Report:

Unilateral erector spinae plane block for procedural sedation- A case report 387-388

*Gowtham Sankar, Arunkumaar Srinivasan, Parthasarathy**

Acute inflammatory demyelinating polyneuropathy following COVID-19 vaccination: screening at vaccination, a potential precaution 389-393

Michell Gulabani, Richa Chauhan, Nimisha T, Ashok Kumar Saxena*

Paediatric airway and challenges during covid era 394-398

Daisy Gogoi, Anup Dutta, Pranjit Talukdar*

Pulmonary embolism following reduction of traumatic anterior hip dislocation- A case report and review of literature 399-401

Amrutha Liz Paul, Ram Varaham, Preethi, V M Balasubramani*

Early initiation of slow continuous ultrafiltration (SCUF) in a case of pregnancy induced hypertension (PIH) with acute decompensated heart failure (ADHF) refractory to standard medical therapy: A case report 402-404

Ranjit Chatterjee, Lalit Gupta, Ahsina Jahan Lopa, Vidushi Kulsrestha, Meenakshi Gaur*

Short Communication:

Repeat spinal or general anesthesia: A dilemma! 405-406

Imran Ahmed Khan, Anita Sharma*

Case of hypertrophic obstructive cardiomyopathy with rhino-orbito cerebral mucormycosis -

Difficult airway as anaesthetic challenge 407-408

Michell Gualabani, Vibhor Gupta, Seema Meena, Ashok Kumar Saxena*

Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of **Innovative Publication Pvt. Ltd.** which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

Why MPRP?

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your
