

IJCA

Indian Journal of Clinical Anaesthesia

Volume - 10, Issue - 4, Year - 2023 (www.ijca.in)

Indian Journal of Clinical Anaesthesia (IJCA) open access, peer-reviewed quarterly journal publishing since 2014 and is published under auspices of the Innovative Education and Scientific Research Foundation (IESRF), aim to uplift researchers, scholars, academicians, and professionals in all academic and scientific disciplines. IESRF is dedicated to the transfer of technology and research by publishing scientific journals, research content, providing professional's membership, and conducting conferences, seminars, and award programs.

With the more...

Call for paper

We cordially invite faculty, researchers, and scholars to submission of your valuable contribution to our Upcoming issues. It is a double-blind, peer-review, and Open Access (OA) journal and accepts manuscripts as research papers, review articles, case reports, short communication, etc.

Manuscript Submission Guidelines

To submit your manuscript, first-time users click the Register button from the submission portal. If you are already a registered user, log in as an author and post your manuscript for further peer-review process. Manuscripts submitted for consideration and inclusion in upcoming issues must follow <https://www.ijca.in/info/author> and be submitted by **2025-02-06**.

The advertisement is a screenshot of a website for the Manuscript Peer-Review Process (MPRP). The header features the logo 'Manuscript Peer-Review Process' and contact information: 'Email: support@iesrf.in, editor@ijca.in, iesrf@iesrf.in' and 'Support: +91-11-639414, 639415 | 9850426146 | 88'. A navigation menu includes 'About MPRP', 'Journals', 'Support and Training', 'Contact Us', 'Track article status', 'Register', and 'Login'. The main content area is titled 'Manuscript Peer-Review Process' and contains the following text: 'Manuscript Peer-Review Process is a web-based portal that can be accessed 24*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels. MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of IP Innovative Publication Pvt. Ltd, which is managed and operated by Innovative Publication and currently running with around 50+ Journals. Why MPRP? If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your'. An illustration shows a person at a desk with a laptop, surrounded by icons representing various aspects of the peer-review process like 'Quality of content', 'Editorial workflow', and 'Post-publication services'. The IESRF logo is visible in the bottom right corner.

CONTENTS

Editorial:

The evolution of anesthesia: Embracing emerging technologies and AI 331-333

*Lalit Gupta**

Original Article:

Pre-operative screening of diabetic patients for heart rate variability and their hemodynamic responses during induction of general anaesthesia 334-339

Nithya Dinesh, Geetha Lakshminarasimhaiah, Arun Kumar, Smita Musti, Ridhi Rao, Ayesha Sabha Khavas*

A randomized comparative study of transversus abdominis plane block (tap) with 0.25% bupivacaine and 0.375% ropivacaine in the duration of post-operative analgesia in upper abdominal laparoscopic surgeries 340-344

S Jesmine Little Flower, Alex Francisco Nicholas, Renu Devaprasath*

Comparative effectiveness of intranasal dexmedetomidine dosing as premedication in paediatric surgery: Randomized controlled trial 345-350

Pooja Agrawal, Puneet Bhuwania*

A comparative study of the efficacy of intravenous magnesium sulphate and intravenous dexmedetomidine in attenuating haemodynamic response to laryngoscopy and endotracheal intubation 351-357

Anju Mohan, Gautam Saha*

A randomized double blind study to evaluate the effect of nebulized dexmedetomidine on the haemodynamic response to laryngoscopy - Intubation and intubation conditions 358-364

Neenu Susan Paul, Valsamma Abraham, Dootika Liddle*

Intravenous low-dose ketamine in addition to systemic analgesia versus systemic analgesia alone for post-operative pain management in laparotomies: A double-blind randomised controlled study 365-370

Sakhi Sachin Sardeshpande, Shubhada Deshmukh*

Review Article:

Challenges to AI use in anesthesia and healthcare: An anesthesiologist's perspective 371-375

Sakshi Gandotra, Slomi Gupta*

Case Report:

Unexpected challenge: Proseal insertion and intubation complicated by undiagnosed aryepiglottic fold cyst 376-378

Krishan Yogesh Sawhney, Sabih Ahmad, Aakash Agarwal*

Anesthetic management of difficult paediatric airway in a case of large facial Neurofibromatosis - A case report 379-381

Jyoti Nara, Naveen Yalla*

Cardiac patient for lung surgery: Walking the tightrope 382-385

Pranali Divekar, Shalini Saksena, Aditi Shashank Tilak, Rishikesh
Shashikant Bhatti*

**The critical role of anaesthesia in multifaceted care for severe thoracic trauma: A case study
386-389**

Sathya Narayanan K, Nikita Mamgain, Geeta Bhandari, Priyanka
Chourasia, Rishika Rathore*

**Combined thoracic epidural anaesthesia and interscalene brachial plexus block for modified
radical mastectomy in a high-risk patient 390-393**

*Shripad Mahadik, Sushmitha K, Deepak Phalgune**

Anaesthetic management of a bleeding intratracheal mass 394-397

Sakshi Gera, Lalit Sehgal, Akanksha Sharma, Ashish Vashishth*

**Obstructed umbilical hernia repair under bilateral rectus sheath block for a high-risk patient: A
case report 398-400**

Alex Francisco Nicholas, Sinchu Mary Babu, Renu Devaprasath*

A rare case of myasthenia gravis in pregnancy with impending eclampsia 401-403

Eshita Singh, Radhesh Hedge*

Pneumothorax during laparoscopic plication of diaphragmatic eventration: A case report 404-406

Shrishanth Murali Kallat, Manish Aggarwal, John M K*

Short Communication:

**The role of vasodilators in managing chronic obstructive pulmonary disease (COPD) in ICU
407-408**

Ruchi Goyal, Lalit Gupta, Sherry Marak*

Letter to editor:

**Should inotropes be depended on as the only savior in haemodynamic crisis? a case study of
symmetrical peripheral gangrene of limb extremities in a patient with traumatic brain injury
409-410**

Sagar Debbarmar, Buble Khakhlyar, Navdeep Sokhal*

**Ultrasound-guided erector spinae plane block with graded epidural anesthesia for open
cholecystectomy in geriatric patient 411-412**

Pallavi Ahluwalia, Simran Saroha*

**The management of anaesthesia in pregnant patients with unknown drug allergies: A complex
challenge for anaesthesiologists 413-414**

Ruma Thakuria, Rashmi Ramachandran*

Epidural knot - A scary complication to be wary of 415-416

Teena Peter, Sachin George*

**Anaesthetic considerations in dextrocardia with situs inversus totalis: A reversed
cardiopulmonary-abdominal landscape 417-419**

Ridhi Roy, Kapil Chaudhary, Munisha Agarwal, Nimith Prabhakar, Gunjan
Manchanda, Wajaha Karim*
