The advertisement is a screenshot of a website for the Manuscript Peer-Review Process (MPRP). The header features the logo 'Manuscript Peer-Review Process' and contact information: 'Email: support@iesrf.in, editor@ijca.in, iesrf@iesrf.in' and 'Support: +91-11-6336414, 6336415 | 9850426146 | 88'. A navigation menu includes 'About MPRP', 'Journals', 'Support and Training', 'Contact Us', 'Track article status', 'Register', and 'Login'. The main content area is titled 'Manuscript Peer-Review Process' and describes the platform as a web-based portal accessible 24/7, offering editorial services and a high level of flexibility. It mentions that MPRP manages authors, reviewers, and editors' details and is an in-house product of Innovative Publication Pvt. Ltd. An illustration shows a person at a desk with a laptop, surrounded by icons representing various aspects of the peer-review process. A small 'IJCA' logo is visible in the bottom right corner of the screenshot.

CONTENTS

Editorial:

The silent threat: Fatigue, burnout, and patient safety in anaesthesia 271-273

*Lalit Gupta**

Original Article:

To study the relation of volume of local anaesthetic and diaphragmatic motility in ultrasound guided supraclavicular brachial plexus block 274-283

*Deepti Mehta, Gurjeet Khurana, Abhimanyu Singh Pokhriyal**

Utilizing calcium gluconate with low dose neostigmine to enhance neuromuscular recovery from non-depolarizing blockade: A prospective randomized control study 284-288

Aparna Singh, Kush Sharma, Anju Romina Bhalotra*

Role of Pleth variability index and perfusion index for predicting hypotension following spinal anaesthesia in patients undergoing caesarean section 289-294

Anju Paul, Indrani Hemantkumar, Daniel Arun Saji, Kavipriya S, Madhuri Patil*

Ultrasound-guided subcostal transversus abdominis plane block versus erector spinae plane block for post-operative pain after percutaneous nephrolithotomy: A comparative observational study 295-301

Navjot Kaur Sandhu, Abhimanyu Singh Pokhriyal, Nidhi Kumar, Shikhar Agarwal*

Ultrasound guided supraclavicular block versus combined infraclavicular and Suprascapular block: A randomized controlled trial 302-308

Tiajem Jamir, Deepak Singla, Praveen Talawar, Vivek Singh, Mishu Mangla*

A comparative evaluation of ultrasound guided dual transversus abdominis plane block versus erector spinae plane block for postoperative analgesia in patients undergoing laparoscopic cholecystectomy: A randomised prospective study 309-315

Aleesha Gupta, Rajesh Angral, Sanjay Kumar Kalsotra, Anshuman Mahesh Chander, Raj Rishi Sharma*

Comparative study of two different intubating doses of cisatracurium for hemodynamic changes during coronary artery bypass grafting under general anaesthesia 316-321

Arnab Paul, Sonali Mali, Gargi Deshpande, Uday Gandhe, Supriya Gajendragadkar, Jacqueline D'Mello*

Analgesic efficacy of ultrasound-guided bilateral sphenopalatine ganglion block as a sole analgesic in fess surgeries and reconstructive nasal surgeries 322-327

*Vasantha Kumar K.R, Parijaat Mukherjee, Prashanth Gowtham Raj S.K**

Transverse ultrasound scanning of lumbar-epidural depth and its co-relation with conventional method: A prospective observational study in obese Indian parturients 328-333

Amit Kumar Chauhan, Shreesh Mehrotra, Rohan Bhatia, Neeru Yadav*

Comparative study of different doses of intrathecal clonidine as an adjuvant to bupivacaine for lower limb surgeries: A prospective observational study 334-340

Kavita Varajangbhai Chhaiya, Sonal Aashish Shah, Rupal Ketan Kapadia,
Dimple Kinjal Pandya, Dhaval Pragjibhai Pipaliya*

Comparison of dexmedetomidine versus nalbuphine in ketamine based procedural sedation for pediatric cathlab procedures: A prospective double blinded randomized trial 341-347

*Anil Kumar Bhiwal, Pooja Mitkumar Patel, Pinki Meena, Alka Chhabra,
Karuna Sharma**

Optimum clear liquid quantification using point of care gastric sonography after ingestion of measured volumes of clear liquid in adult patients posted for elective surgeries: A randomized controlled study 348-353

Ramesh Koppal, Dinesh Naik, Tanuja K S, Sangamesh Nainegali, Mahindra
B Kalashetty, Anusha S R, Harshitha Gopal*

Assessment of effect of two different doses of dexmedetomidine infusion on emergence agitation and quality of recovery after nasal surgery 354-360

Harsimran Kaur Riar, Harish Singh Koshyari, Parul Jindal, Vinish Kumar
Agrawal*

An observational study to compare the efficacy of intravenous dexmedetomidine versus intravenous esmolol for attenuation of pressor response during laryngoscopy and endotracheal intubation 361-367

Pooja Arpan Shah, Sujay B Ghetiya, Richa Mukeshbhai Tailor, Sara Mary
Thomas*

A comparative evaluation of dexamethasone and MgSO₄ as an adjuvant to ropivacaine in transversus abdominis plane block for post operative analgesia in patients undergoing elective cesarean section, a triple blinded randomised controlled trial 368-375

Lhamo Dolma, Aradhna Nazareth, Chintala Pavana Swarupa, Rajni Singh,
Jaisheel Gabriel Joseph*

Preoperative chewing gum versus pericardial p6 point acupressure for attenuation of postoperative nausea and vomiting in patients undergoing laparoscopic cholecystectomy - A comparative evaluation 376-383

Chirag Ahuja, Shreesh Mehrotra, Veena Asthana, Dilip Chander Dhasmana*

Evaluation of demographic, clinical characteristics and risk factors in patients with persistent hiccups due to traumatic brain injury: A trauma-ICU based study 284-294

Manjaree Mishra, Ghanshyam Yadav, Ravi Shankar Prasad, Shashi
Prakash Mishra, Ashish Kumar Yadav*

A randomised, double blinded control study to compare the efficacy of intraperitoneal nebulization and instillation of ropivacaine for postoperative pain relief in patients undergoing laparoscopic appendicectomy 395-400

Shilpa Masur, Satish Kelageri, Bhagyashri V Kumbar, Archana Endigeri,
Pramod R*

Review Article:

Anaesthesia considerations in heart transplantation: A comprehensive review 401-413

Leena Satish Tayshete, Jasvinder Kohli, Ramesh Chand Kashav*

Role and efficacy of vasopressors in post-spinal hypotension in cesarean section. Is norepinephrine a newer choice? 414-420

Vikash Bansal, Ripon Choudhary, Ridhima Sharma, Lalit Gupta*

Case Series:

Thoracic segmental spinal anaesthesia a boon in challenging case scenarios: A case series 421-425

Jyothi Pushkar Deshpande, Reshma Rejish Nath*, Priyanka Bipin Kulkarni,
Sapna Atram

Parasacral ischial plane block for lower limb surgeries: A case series 426-430

Parth Pandya*, Sudha Shah, Yatin Bharad

Case Report:

Anaesthetic management in neonate with rare finding of absent ribs as a part of Jacho Levin syndrome posted for thoracolumbar meningomyelocele repair: A case report 431-433

Madhu Ahlawat*, Navdeep Kaur, Arti, S Gowrishankar, Priyanka Rani

Anesthetic management in a rare case of clark-baraitser syndrome: Insights and challenges 434-436

Madhu Madhu*, Teena Bansal, Nisha Yadav

Anaesthetic considerations in congenital single ventricle cyanotic heart disease patients undergoing non - cardiac surgery 437-439

Ravi Shankar Vishali, Manoj Bhaskar Vishak, Subramaniyan Kavin, Anand
Pushparani*

Letter to editor:

Perioperative venous air embolism during transurethral resection of prostate 440-441

Anuradha Dialani, Lalit Gupta*, Ankur Sharma

Utility of ChatGPT in neuroanesthesia: Still long way to go 442-444

Chandrika Balasubramanian, Santha Prem Kumar Edison, Krishna Mohan
Surapaneni*

Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of **Innovative Publication Pvt. Ltd.** which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

Why MPRP?

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your
