## Indian Journal of Clinical Anaesthesia

Volume - 12, Issue - 1, Year - 2025 ([www.ijca.in](http://www.ijca.in))

Indian Journal of Clinical Anaesthesia (IJCA) open access, peer-reviewed quarterly journal publishing since 2014 and is published under auspices of the Innovative Education and Scientific Research Foundation (IESRF), aim to uplift researchers, scholars, academicians, and professionals in all academic and scientific disciplines. IESRF is dedicated to the transfer of technology and research by publishing scientific journals, research content, providing professional's membership, and conducting conferences, seminars, and award programs.

With the more...

### Call for paper

We cordially invite faculty, researchers, and scholars to submission of your valuable contribution to our Upcoming issues. It is a double-blind, peer-review, and Open Access (OA) journal and accepts manuscripts as research papers, review articles, case reports, short communication, etc.

### Manuscript Submission Guidelines

To submit your manuscript, first-time users click the Register button from the submission portal. If you are already a registered user, log in as an author and post your manuscript for further peer-review process. Manuscripts submitted for consideration and inclusion in upcoming issues must follow <https://www.ijca.in/info/author> and be submitted by **2025-02-06**.

The advertisement is a screenshot of a website for 'Manuscript Peer-Review Process'. The header is dark red with the logo on the left and contact information on the right: 'Email: support@iesrf.in, editor@iesrf.in, editor@iesrf.in', 'Support: +91-11-839414, 839415 | 839434-46 | 839437'. A navigation bar below the header contains links: 'About MPRP', 'Journals', 'Support and Training', 'Contact Us', 'Track article status', 'Register', and 'Login'. The main content area has a light blue background. On the left, the title 'Manuscript Peer-Review Process' is followed by a paragraph: 'Manuscript Peer-Review Process is a web-based portal that can be accessed 24\*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.' Below this is another paragraph: 'MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of IP Innovative Publication Pvt. Ltd. which is managed and operated by Innovative Publication and currently running with around 50+ Journals.' To the right of the text is an illustration of a person sitting at a desk with a laptop, surrounded by icons representing various aspects of the peer-review process like 'Editorial', 'Reviewer', 'Author', and 'Editor'. At the bottom left, the heading 'Why MPRP?' is followed by the start of a sentence: 'If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your'.

*Mukeshbhai Tailor, Sara Mary Thomas*

**A comparative study of triamcinolone injection alone versus combined triamcinolone injection with pulsed radiofrequency for frozen shoulder pain: A randomized controlled study 66-72**

*Shivani Rastogi\*, Deepti Sharma, Anurag Agrawal, Sujeet Rai, Swagat Mahapatra, Imran Ahmed Khan*

**A prospective randomized study comparing the efficacy of intrathecal clonidine versus dexmedetomidine as adjuvants to hyperbaric bupivacaine in patients undergoing spinal anesthesia for pelvic and lower limb orthopedic surgeries 73-79**

*Dushyant Chavda, Shreya Patel\*, Nilesh Shah, Payal Berawala, Sara Mary Thomas*

**Opioid sparing effect of ultrasound-guided continuous bilateral erector spinae plane block in cardiac surgery requiring sternotomy: A cross-sectional observational study 80-86**

*Alok Gopal Belgaumkar, Manjunath R Kamath\*, Harish B G*

**Efficacy of isobaric 1% chloroprocaine intrathecal for patients undergoing infraumbilical short surgical procedures 87-91**

*Archana Shivashankar, Sarika M Shetty, Raghavendra Babu T, Anup Natha Ramachandra Gowda\*, Anil Kumar M R, Meghana Marulasiddappa*

**Comparison between general anesthesia and thoracic spinal anesthesia in total laparoscopic hysterectomy 92-98**

*Geetanjali Singhal\*, Ruchika Choudhary, Pooja Choudhary*

**Prospective observational study on antibiotic sensitivity of endotracheal tip cultures in ICU patients 99-104**

*Deepika Khanduja, Ankit Arora, Bhavya Trivedi, Abhay Srivastava\*, Vishal Arora*

**A comparison of oral tramadol and oral tapentadol for prevention of perioperative shivering during subarachnoid block in patients undergoing transurethral resection of prostate: A randomized control trial 105-111**

*Vinayaka Jannu\*, Namratha M, Meghana Prasad Hanagandi*

**Comparison of effect of perioperative infusion of lidocaine vs dexmedetomidine on post-operative pain in patients undergoing laparoscopic cholecystectomy 112-117**

*Anam Rizwan, Shirin Parveen\*, Harpreet Kaur, Kirtika Yadav, Harshita Singh, Karanvir S Sidhu*

**Height to thyromental distance ratio and height to sternomental distance ratio comparison as difficult airway predictors: A cross-sectional study 118-124**

*Rashmi Pal, Anushri Agrawal\*, Deepali Valecha, Manish Banjare*

**Comparison of high flow nasal cannula and conventional oxygen therapy post-extubation in intensive care unit: A prospective crossover observational study 125-131**

*Anil Shetty, Gouri Pratyusha Kintamani, Govindraj M Bhat\**

**Effect of music therapy in the perioperative anaesthesia requirement in patients undergoing laparoscopic cholecystectomy 132-138**

*Kirti N Saxena\*, Devika Mishra, Moushumi Saha, Bharti Wadhwa*

**Comparison of intermittent intravenous bolus of phenylephrine and noradrenaline in management of spinal anesthesia induced hypotension in elective cesarean section: A randomized controlled trial 139-144**

*Shalini Das, Sankar Roy, Bani Parvati Magda Hembrom, Dipasri  
Bhattacharya, Arpita Choudhury\**

### **Case Series:**

---

**Erector spinae block in diverse surgical procedures: A case series on optimizing post operative pain management 145-149**

*Uday Gollamudi\*, Pravallika Rallapalli, Sachidanand R S*

### **Case Report:**

---

**Anaesthetic and airway management challenges in pediatric sclerotherapy for upper airway vascular malformation: A case report 150-153**

*Parin Lalwani\*, Puneet Khanna, Abhishek Nagarajappa*

**Epidural anaesthesia for cesarean section in a patient with repaired ventricular septal defect and severe pulmonary hypertension: A case report 154-159**

*Anupama Kumari\*, Richa Mukeshbhai Tailor, Sara Mary Thomas*

**Exploring opioid-free pain management in complex oncologic surgery: A case of total scapulectomy 160-163**

*Amreesh Mahil\*, Eduard Rainer, Osama Hafez, Odion Binitie, Leshawn Richards*

### **Letter to editor:**

---

**Troubleshooting anesthesia equipment: A focus on L connector 164-165**

*Jakkireddy Sravani, Pradeep Khobragade, Swati Vijapurkar\*, Ishan Verma,  
Gade Sandeep*

**Silent intruder: A case of foreign body aspiration in a child complicating previous airway pathology 166-168**

*Avnika Laller, Lalit Gupta\*, Kirti N Saxena, Himanshu Garg*

**Managing the immobile mandible: Pediatric fiberoptic intubation in TMJ ankylosis 169-170**

*Sonal Khatavkar, Rajesh Kawale, Ishan Girish Garud\**

**Challenges and strategies for safe eye surgery in duchenne muscular dystrophy patients 171-172**

*Ashish Singh Aditya\*, Aastika Mahajan, Vanni S Jhavar*

**L wave in mitral inflow doppler - lessons for the anaesthesiologist: A case report with a short review 173-174**

*Srinivasan Parthasarathy\*, B Amirthaganesh*

## Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24\*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of **Innovative Publication Pvt. Ltd.** which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

### Why MPRP?

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your
